# ORDERING DETAILS

## MedGyn Disposable Vacuum Currettes and Aspiration Kits

MedGyn specializes in providing unique, high-quality medical devices, instruments and equipment for Obstetrics and Gynecology professionals.

MedGyn product lines include sterile disposable medical devices (single-use), stainless steel instruments, equipment, diagnostic test kits and various OB/GYN procedure kits. MedGyn's products are used in OB/GYN physician offices, multi-practice clinics, surgi-centers and hospitals.

For over three decades MedGyn has been a preferred provider of OB/GYN supplies, devices, instruments and equipment throughout the world. They have earned a reputation for high-quality products preferred by OB/GYN physicians and medical professionals.
